

Announcing the Mental Health and Addictions LHIN Exchange

The [LHIN Exchange](http://www.lhinexchange.ca) website is a [collaboration](#) among several provincial organizations committed to improving the delivery of mental health and addiction services in Ontario, and to supporting the needs of those living with mental health and addiction problems, their families, and their communities.

Collaborating organizations include: Addictions Ontario; Canadian Mental Health Association, Ontario; Centre for Addiction and Mental Health; Ontario Association of Patient Councils; Ontario Federation of Community Mental Health and Addiction Programs; and Ontario Peer Development Initiative.

The purpose of the LHIN Exchange is to enable mental health and addiction stakeholders to share news about developments in their Local Health Integration Network with others across the province. Through an open exchange of accurate and timely information, all stakeholders can contribute to the planning and development of an effective community mental health and addictions system.

We invite you to visit the Mental Health and Addictions LHIN Exchange at <http://www.lhinexchange.ca>. We welcome your comments.

For more information about the LHIN Exchange, contact:
