Closure of Workman Way This Thursday

Carillion has scheduled adjustments and repairs to the terraces on the east side of the Intergenerational Wellness Centre to occur on **Thursday, May 31**.

To facilitate this work, a lift will be installed along **Workman Way**, thereby **closing the street** to all pedestrian and vehicle traffic on **Thursday, May 31** from **7:00 a.m. to 5:00 p.m.** See diagram to right indicating closure in pink.

The lift will be fenced in during operation and Carillion will ensure that all safety and security precautions are in place while the work is in progress.

All emergency services, including fire, ambulance, and police, as well as Wheel Trans and Voyageur have been notified of the closing of Workman Way as noted above.

Access to Units 2 and 4 for emergency vehicles, Wheel Trans, and other traffic during the work periods will be at the Shaw Street entrance.

Access to the footpaths located in the grassy areas east of Workman Way will remain open during the work.
